Where did you hear or read about the Armenian Shakespeare Conference?

.....

Armenian Shakespeare Association (ASA) is an independent, non-profit organisation, and relies on its own funding for organising educational and cultural events.

The registration fee is only £80, which will cover some of the local expenses for international delegates (such as transport, daily tours, lunches, etc.)

Additionally, send a short biography alongside your abstract (in the same word document please), with a list of publications for presentations and the catalogue of the conference!

Thank you for attending ASA conference!

DATE AND SIGNATURE.....
